

Elite Driving Academy's Drive Test Check List

It is imperative you arrive prepared. **You are booking a 30 minute slot to take a behind the wheel driving test, and you will be charged if you arrive unprepared.** It is **your** responsibility to check all expiration dates on ALL documents prior to arrival for it is illegal to operate a vehicle without valid, proper documentation.

Arrive Prepared: Documents must be in your hand. We will not allow time for you to search through your car or call your agent, friend, etc. You would not book an appointment with your mechanic and forget to bring your car, so please apply the same common sense with our appointments.

- ✓ Valid Colorado Permit
- ✓ Valid Insurance Card for the Vehicle being used to test in
- ✓ Valid Car Registration (check the date to be sure it is not past that date)
- ✓ License plates need to be on the front and back of the vehicle unless you have an unexpired dealer temp tag on the back. No car may have it in the windows, must be attached to the outer car.

Car inspection:

- ✓ No cracks in the windshield that obstruct our view or yours.
- ✓ Working taillights and blinkers
- ✓ Inflated tires
- ✓ Doors and windows need to be in working order for both driver's and passenger front.
- ✓ Mirrors attached and in place.

Attention minors under age 18!

It is NOT possible, nor it is legal to test you if your permit has not been held at least one full calendar year. For example, if it was issued 9-1-2021, you have to wait until 9-1-2022 or later to test. Any minor showing to a reserved appointment time whose permit is not qualified to test will be charged full rate. Be responsible, truthful, and considerate. **We cannot and will not violate state testing standards.**
